**Concealed Closer**

- Fire rated to 3 hours
- Adjustable to sizes 1 through 5
- Retrofit to existing frames without mortising the frame
- Closer arm is invisible when door is closed  
  (TDC96 standard swing application)
- Track and arm are color matched to door’s verticals
- Improved ADA compliance – cam action is 60% more efficient than a standard rack & pinion closer

**Note:** TDC96/TDC96P closer is not recommended on high traffic applications.
